Student Name: Christian Jolian D. Borres

Group: CRLWND

Assigned Role: Documenting

What did I contribute to the project?

Making the documents for the project and uploading the screenshots if the program works.

What features did I personally develop?

I created the README.md and documents for the project.

What problems did I encounter?

Figuring out how the program works

How did I solve those problems?

Being patient and finding answers online

What did I learn from this project?

Project is much better when it is done with the help of others because teamwork makes the work easier and more successful

Evidence of my contribution:
